HOW TO GET THERE

L2A is located in the south east of France 77km (1hr 15mins drive) from Grenoble, 160Km (2hrs drive) from Lyon St Exupery Airport and 220km (2hrs 40mins drive) from Geneva airport. There are a variety of ways to reach the resort which we've covered below, but by far the most common being a flight to Lyon & transfer buses to resort.

PLEASE check all details fully with the relevant companies, information here is correct to the best of our knowledge but can change at any time. We cannot be held responsible for you being unable to arrive in resort in time for your course as a result of any change to these schedules.

BY PLANE

Try to pick morning flights for your arrival from the UK and evening flights for your departure home, this gives you ample time to get to/from the airport.

We recommend using [skyscanner](#) to search all available flight options from your chosen airport.

BY TRAIN TO GRENOBLE

From the UK to Grenoble:

[Eurostar](#) from St Pancras to Paris Gare Nord, change to Paris Gare De Lyon (allow at least 1hr between stations and try to avoid rush hour!) and then straight to Grenoble. Travel time can be as quick as 6hrs 30mins, prices vary but can be found from £200 return.

From Geneva Airport to Grenoble:

Check [HERE](#) for details. Average journey takes around 3hrs 40mins (with 1 change) and costs CHF128 return.

TRANSFER BUSES

Lyon St Exupery Airport - Grenoble Train Station

Regular Service with [Faure Vercors](#) takes around 1hr 30mins.

Grenoble Train Station - L2A

The 3030 bus with [Transisère](#) is the only public service up to Les Deux Alpes and as such can not be booked in advance. We recommend arriving at least 30 mins prior to the departure time to buy your ticket and get in the queue. The last service leaves Grenoble around 17:50 and the journey takes 1hr 35mins. You'll want to get off at the last stop in L2A, Place de Vensoc, not be confused with Venosc village itself!

BY CAR FROM THE UK

While this is a pretty long journey (trust us, we've done it and slept in car parks along the way) it can be awesome fun if you want to make a road trip out of the Summer Camp. This form of travel becomes cost effective with 3+ people sharing and we highly recommend having multiple drivers to share the driving. It is important to make sure you have adequate insurance/break down cover to drive in Europe.

From Calais - 935km, 8hrs 45mins, Cross the channel via:

- [P&O](#)
- [Euro Tunnel](#)

From Dunkirk - 940km , 9hrs. Cross the channel via:

- [Norfolkline](#)

For both these options you will have to pay French toll road charges, which can be estimated with [mappy](#), [ViaMichelin](#) & [Drive-Alive](#).
